FUNDED PROGRAM AREAS

N.B Figures are based on 2012 Financial Summary Australia.

PROSTATE CANCER

Results we seek: *Men living with and beyond prostate cancer have the treatment and care needed to be physically and mentally well.*

Examples of programs: Prostate Cancer Specialist Nursing Service, Global Action Plan (GAP), Australian Prostate Cancer Clinical Registry, A Survivorship Action Partnership (ASAP).

MENTAL HEALTH

Results we seek: *Men and boys are mentally healthy. Those who experience mental health problems take action early and live lives free of stigma and discrimination.*

Examples of programs: *Beyondblue* Support Service, NewAccess, Men's Suicide Prevention Program.

MEN'S HEALTH

Results we seek: *To make a significant impact on men's health through increased understanding of the health risks men face, encouraging men to take action to remain well, and ensuring that when men are sick they know what to do and take action.*

Example of programs: The Movember Awareness and Education Campaign.

TESTICULAR CANCER

Results we seek: *Men living with and beyond testicular cancer have the treatment and care needed to be physically and mentally well.*

Example of programs: Global Action Plan (GAP) Testicular Cancer Translational Research Project.
